We have 2 function rooms:

This room can cater for 40/50 up to 60 persons depending on the setting for lunch or evening. It has a private bar but no dancing facility.

Meriden Suite

The largest room from our two function rooms. Can seat 120 comfortably with round tables or 150 if long tables are selected. It has a private bar, air conditioning and dance floor.

In order to ensure the complete success of your Function, it is essential for all guests attending to share an elected menu. We are unable to offer a choice of dishes at an event unless they are of a special dietary nature (Vegetarian choices enclosed for your perusal).

Also included are Party Buffet Menus, should you prefer a more informal event. Please note room hire charges will apply

A special Accommodation Rate is available for all guests attending a function. Please ask for details or you may wish to visit our website for preferential prices on - line.

Should you require entertainment, we are able to offer a small selection of contact telephone numbers.

For booking and payment: *Please refer to Terms & Conditions*

We wish to advise that host members will be held responsible for the conduct of all their guests during the period of the event and overnight stay.
